The Future is Bright

For Planned Giving on Mobile Devices.

Did you know that last year more than 15% of visitors accessed planned giving websites using mobile devices? This is an increase of 72% compared to 2012!

Donors are increasingly using mobile devices to access information about planned gifts. Crescendo provides nonprofits both a planned giving website *and* a mobile-compatible website. Your donors will be able to access your website whenever, wherever and with whatever device they choose.

Contact one of our Integrated Marketing Specialists to learn how you can increase your online presence and keep your future bright.
